About Our Company

CLA Saudi Arabia (formerly Al Alaufi & Al Harbi) was established in 2015 and is licensed by the Saudi Organization for Certified Public Accountants (SOCPA). We are distinguished by providing auditing, consulting, governance, compliance and distinguished professional services. For over a decade, we have built a strong reputation in the field Risk Advisory and financial consulting and other professional services, thanks to our commitment to providing high-quality services and employing the latest technologies and tools. In 2024, CLA Saudi Arabia CPAs joined the CLA network as an independent member, thus, CLA Saudi Arabia CPAs Company opens a new phase of expansion and development of its services according to the best international practices.

Message From leadership

Mr. Turki Al-Aufi

A handwritten signature in black ink, reading "Turki Al-Aufi".

Mr. Abdullah Al-Harbi

A handwritten signature in black ink, reading "Abdullah Al-Harbi".

It is with great enthusiasm that we, at CLA Saudi Arabia Co., communicate to our esteemed clients our capabilities in fulfilling duties during this period of both challenge and opportunity. We acknowledge the complexities of the current times, marked by dynamic social and political shifts, alongside economic conditions that present foreseeable challenges.

At the core of our approach lies a steadfast commitment to transparency. This principle guides our efforts in enhancing our quality, effectively managing risks, and upholding our independence as auditors and consultant. Our dedication to transparency is integral to fostering trust and confidence among our stakeholders, ensuring that we navigate these intricate times with professionalism and integrity.

Our Vision

we are committed to setting the benchmark in the Middle East for excellence in financial and risk consulting services. Our aspiration is to be the foremost reference point in our field .

Our Mission

To empower our clients in achieving their goals through insightful consultation and the implementation of industry best practices, and to assist our society in thriving amidst the current challenging environment.

Our Values

At the heart of CLA Saudi Arabia Co. are our core values: Trust, Sustainability, Integrity, and Partnership. These principles guide our every action and decision.

Trust

We are committed to building and maintaining unwavering trust with our clients and partners.

Sustainability

is integral to our approach, ensuring that our solutions are not only effective in the present but also beneficial for the future.

Integrity

underpins our operations, reflecting our dedication to ethical practices and transparency.

Partnership

we believe in the power of partnership – fostering enduring relationships with our clients, grounded in mutual respect and a shared vision for success.

Our Structure & Governance

Our Quality Approach

1 Industry Expertise:

The team of business advisers at CLA Saudi Arabia possesses in-depth knowledge of various industries, enabling them to offer practical solutions to the daily challenges faced by managers.

2 Comprehensive Services:

CLA Saudi Arabia offers a full spectrum of services to meet the diverse needs of clients, covering areas such as financial, operational, and strategic aspects of business management.

3 Problem Solving an Strategy

Alaafi & Alharbi positions itself as both problem-solvers, providing cost-effective alternatives, and strategists with extensive implementation capabilities. This implies a focus on not just identifying issues but also on actively implementing solutions.

4 Client-Centric Approach:

The commitment to helping clients stay ahead of the competition suggests a client-centric approach. Alaafi & Alharbi aims to understand and address the specific challenges faced by clients in the dynamic business landscape.

5 Specialized Divisions:

The various service divisions (Auditing, Tax & Zakat , Risk Advisory and local content) are headed by experienced professionals with specialized industry and functional skills. This structure ensures that clients receive tailored expertise in each area.

6 Single Point of Contact:

The presence of a single point of contact, typically a partner with authority, streamlines communication and provides clients with easy access to the firm's resources. This approach aims to enhance efficiency and responsiveness.

7 Quality Approach:

The mention of a «Quality approach to client's service» emphasizes the commitment to delivering high-quality services. This could include a focus on accuracy, reliability, and overall client satisfaction.

Our Quality Tools

CaseWare

CLA Saudi Arabia's Audit and Assurance's team using CaseWare Software in External audit activities that provides a range of solutions for audit, financial reporting, and compliance. CaseWare Working Papers is one of their products that is often used for external Auditing.

Microsoft 365

Is a suite of cloud-based productivity tools and services. It encompasses a variety of applications and services that are widely used for business communications.

Local Content Award

Excellence Category for Audit firms

CLA Saudi Arabia (formerly Alaafi & Al Harbi) was awarded the Excellence Award for 2023 in the field of Audit and Reviewing Firms from the Saudi Local Content and Government Procurement Authority by esteemed figures including the Minister of Industry and Mineral Resources, Chairman of the Board of Directors of the LCGP Authority, Bandar Al-Khorayef, alongside distinguished ministers, fills us with immense pride and gratitude.

Local content is a national agenda that all economic sectors contribute to developing. It has become a key indicator in national strategies.

Local content contributes to enhancing local capabilities and maximizing the benefits of national purchasing power to build a strong and sustainable economy.

The Local Content Award is the first strategic national driver at the level of Kingdom of Saudi Arabia and the region, aimed at stimulating the economic ecosystem, including the public and private sectors and individuals, to develop local content and achieve its targets in line with Vision 2030.
